

NEWS RELEASE

## ASMPT Recognised For Excellence

**Hong Kong and Singapore, 5 April 2016:** ASM Pacific Technology Limited (“ASMPT”), a world leader in the supply of semiconductor assembly and packaging equipment and materials, as well as surface mount technology applications, is pleased to announce that in the “Asia’s Best Managed Companies 2016” poll, ASMPT is ranked among the top 10 Hong Kong companies in two categories: “Best Managed Companies” and “Best at Investor Relations”.

Mr Lee Wai Kwong, CEO of ASMPT said: “It is prestigious to be included in the poll as it indicates the high esteem investors across Asia have for ASMPT's management excellence. It also affirms that we are on the right track in our transformation journey. Our efforts to build a diverse product portfolio, focus on multiple application markets, invest in advanced technologies and build a second growth engine for the Group have been advantageous to the development of the Group over the past few years. We will continue to drive growth so as to deliver better shareholder returns.”

The results are polled from the responses of 129 portfolio managers and buy-side analysts from around Asia Pacific region. Companies are evaluated on overall management, corporate governance, investor relations and commitment to strong dividend payments etc. The poll is into its 16<sup>th</sup> year and is conducted by FinanceAsia, a reputable financial magazine in Asia.

The Group is also recognised by customers for its excellent support in helping them to drive growth. It was presented with two awards recently at the Hana Semiconductor (Ayutthaya) Supplier Day event, namely the “Best FOL Equipment Supplier” and the “Best Quality Supplier” awards. These awards are given in recognition of excellent support rendered during the year.

ASMPT has also been recognised as one of 24 companies receiving ASE Group’s 2015 Best Supplier award for their excellent performance in 2015.

Mr Lee continued: “We are honoured to receive such accolades from our customers and we would like to thank them for their trust and confidence in ASMPT. These awards which not only exemplify our commitment to be a strategic partner that delivers the highest standards for quality and excellent support, but more importantly, give our people due recognition for their commitment and efforts to serve our customers well.”
