**Bentek Solar Announces the Launch of Its Configure-To-Order (CTO) Solar Re-Combiner Configurator**

**SAN JOSE, CA —August 2010** – Bentek Solar, a leader in the design and manufacture of optimized Configure-To-Order solar combiners and re-combiners, recently launched the new Bentek Solar Re-Combiner Configure-To-Order (CTO) Configurator.

“The Bentek Solar CTO Re-Combiner configurator simplifies and optimizes the configuration and quoting of custom complex CTO solar re-combiners. The tool was designed to meet the needs of the marketplace for fast and accurate responses. It is all about the ease of doing business with Bentek Solar and taking our highly engineered complex re-combiners, and making the configuration and quoting process easy for our customers,” said John H. Buckley, leading sales and marketing at Bentek Solar.

For more information or to try the Bentek Solar CTO Configurator, call 1-866-505-0303 or e-mail [JohnB@Bentek.com](mailto:JohnB@Bentek.com). To learn more or to view Bentek Solar’s online data sheets, please visit [www.BentekSolar.com](http://www.BentekSolar.com).

###

**About Bentek Solar**

Founded in 1985, Bentek is a leader in manufacturing and engineering solutions for complex electro-mechanical and power distribution systems for the semiconductor and solar industries. Bentek has applied these extensive capabilities and knowledge into a comprehensive family of standard and configure-to-order (CTO) solar combiner products. These solar combiners provide quality, ease of installation and safety to the solar industry.
