## **Brewer Science Sponsors Internationally Acclaimed Jacques Thibaud String Trio for Their Only Performance in Missouri**

**July 20, 2017** – Rolla, MO – Brewer Science, a Missouri-based technology manufacturing company, is pleased to continue its tradition of [supporting the arts](#) by sponsoring a unique live concert featuring a performance by the internationally acclaimed [Jacques Thibaud String Trio](#). Regarded as three of the world's finest chamber musicians, the trio will travel from Berlin, Germany to perform their only concert in Missouri on Saturday, September 2 at the Ozark Actors Theatre in Rolla, MO.

The Jacques Thibaud String Trio is comprised of Hannah Strijbos, viola; Burkhard Maiss, violin; and Bogdan Jianu, cello. The original international trio was founded at the Berlin School of Art in 1994.

The Trio's recent album, Beethoven: Complete String Trios, released in June 2015, was nominated for the International Classical Music Award 2016. Currently, the Trio is producing a [new album](#) set for a mid-2017 release date. The Jacques Thibaud String Trio has an active schedule that includes performances throughout the U.S. and internationally at universities, museums, festivals, and concert halls.

Hors d'oeuvres will be served at 7:00 pm, and the concert will begin at 8:00 pm on Saturday, September 2, at the Ozark Actors Theatre, located at 701 N. Cedar Street, Rolla, MO. Tickets will be available online at [www.OzarkActorsTheatre.org](http://www.OzarkActorsTheatre.org) or by calling the Ozark Actors Theatre at 573-364-9523 (ext. 1). Tickets are \$35 each and seating is limited. For more information about the concert, contact Brewer Science at 573-364-0300.

### **About the Jacques Thibaud String Trio**

The Jacques Thibaud String Trio is comprised of Hannah Strijbos, viola; Burkhard Maiss, violin; and Bogdan Jianu, cello. The original international trio was founded at the Berlin School of Art in 1994. Internationally, the Trio has appeared at London's Wigmore Hall, has performed throughout Germany and Japan, and continues to perform at many of Europe's most prestigious festivals including Belgium's Musica Mundi, Gidon Kremer's Echternach Festival in Luxembourg, and Denmark's Roskilde Schubert Festival. Follow the Trio and hear portions of their recordings at [facebook.com/jttrio](https://facebook.com/jttrio) or visit [www.jttrio.com](http://www.jttrio.com) to learn more about the group.
