ZESTRON Academy to Host FREE "Surface Cleanliness Assessment" Webinar

Manassas, VA – August 5, 2019 [ZESTRON](#), the global leading provider of high precision cleaning products, services, and training solutions to the electronics manufacturing and semiconductor industries, is pleased to announce that it will host "Surface Cleanliness Assessment" on Thursday August 29th, from 1:30 PM to 2:30 PM EDT. This is the sixth installment of the 2019 ZESTRON Academy Cleaning Webinar Series. Our presenter will be electronics cleaning expert, Umut Tosun, M.S.Ch.E, Application Technology Manager.

Webinar Abstract:

How clean is clean? When manufacturing electronic assemblies, impurities left on a board's surface or underneath components may lead to field failures. This ZESTRON Academy webinar provides an overview of the tools and methods available to properly assess the cleanliness of electronic assemblies after the cleaning process.

For more information or to register for this free webinar visit us [online](#).

About ZESTRON:

ZESTRON is headquartered in Manassas, Virginia and operates in more than 35 countries.
