Jody Saultz Joins KYZEN as Sales Support Manager

NASHVILLE — September 2019 — KYZEN, the global leader in innovative environmentally friendly cleaning chemistries, is proud to announce and welcome Jody Saultz as the Sales Support Manager. Within this new company position, Saultz's primary responsibility is to be a vital asset to the sales team, assisting KYZEN's Global Product Line Managers with various startups and key global trials.

A veteran in the electronics assembly industry, Saultz comes to KYZEN from ITW with more than 30 years of experience working with customers across the country. He is excited to bring his knowledge and experience to KYZEN as the Sales Support Manager.

During his career, Saultz has taken on various roles including field service engineer, production management, process improvement and implementation for wave solder, reflow soldering, and cleaning product lines. Such experience will help him use his skills in his current role to their full potential. Saultz will work closely with the KYZEN Sales Team to attack problems from a fresh perspective merging sales and technical standpoint.

Saultz currently resides in Saint Cloud, FL but grew up in Missouri. In his spare time, he enjoys spending time with his children and grandchildren, fishing, hunting and traveling.

"It is my belief that Jody will be a great asset to the team, and we will be able to offer him the challenges and opportunities he desires," stated Executive Vice President, Erik Miller. "Jody brings a breadth of knowledge and experience to KYZEN that will further enhance KYZEN's care."
