ZESTRON Welcomes Daniel Chacon to the LATAM Sales Team

Manassas, VA – June 27, 2024, ZESTRON, the leading global provider of high-precision cleaning products, services, and training solutions for the electronics manufacturing and semiconductor industries, is pleased to announce Daniel Chacon's appointment as the newest member of the LATAM Sales Team.

Daniel Chacon joins ZESTRON with a wealth of experience in sales and customer service within the electronics manufacturing sector. A chemical engineer who graduated from the Autonomous University of Chihuahua, Daniel brings 14 years of experience in the contract manufacturing industry, with a strong focus on the medical device and aerospace industries.

His expertise and dedication to providing exceptional customer solutions align perfectly with ZESTRON's commitment to excellence and innovation. Daniel will be instrumental in supporting and expanding ZESTRON's presence in the Mexican market.

"I am sure that with his enthusiasm, experience, and industry knowledge, he will make a huge contribution to the LATAM business," said Angela Marquez, Head of Business Unit LATAM at ZESTRON Americas. "Our team is excited to work with Daniel, who will continue to serve and expand our customer base in the northern region of Mexico."

Daniel will work alongside a talented team of professionals, including Roberto Fregoso, Jose Luis Hernandez, Andres Turrubiates, Angela Marquez, and Mitzi Parra Vera. Together, they will continue to drive ZESTRON's mission of delivering cutting-edge cleaning solutions and exceptional service to our clients.

With Daniel's addition, ZESTRON reaffirms its commitment to investing in top talent to serve its customers better and support its strategic growth objectives.

About ZESTRON:

ZESTRON is headquartered in Manassas, Virginia, and operates in over 35 countries. With eight technical centers worldwide and the industry's most knowledgeable team of engineers focused on high-precision cleaning, ZESTRON's commitment to ensuring that its customers surpass even the most stringent cleaning requirements is without equal.

For additional information or to tour one of our technical centers, please visit www.zestron.com.
