

**FOR IMMEDIATE RELEASE**  
**SEMICON Taiwan Booth #I2716**

## **Solve your semiconductor packaging problems with Nordson ELECTRONICS SOLUTIONS at SEMICON Taiwan 2020**

- **Talk to the experts and see demonstrations of the latest equipment for test and inspection, fluid dispensing, and plasma treatment in one booth, #I2716**

Aylesbury, Bucks, UK – 16 September 2020 -- [Nordson Corporation](#) (NASDAQ: NDSN) announces that six product lines from its [Nordson ELECTRONICS SOLUTIONS](#) division will be exhibiting together at SEMICON Taiwan, where the industry goes to keep up with technology developments in the world, 23 - 25 September 2020 at TaiNEX1 in Taipei, Taiwan. They will join partner CohPros in booth #I2716, first floor, to demonstrate the latest equipment for testing, optical and X-ray inspection, fluid dispensing, and plasma treatment in the same booth.

Helping to find the right solutions for semiconductor packaging problems is the primary focus of these Nordson teams. In addition, Nordson equipment is supported by trained, experienced technical staff who are ready to work with customers to address their challenges during electronics manufacturing.

Test and inspection products at the show will include [DAGE](#) bond testers and a DAGE Quadra X-ray system, [MATRIX](#) X-ray automated inspection systems, [YESTECH](#) automated optical inspection systems, and the [SONOSCAN](#) Gen7 acoustic microscope. In addition, the newest [ASYMTEK](#) fluid dispensing equipment and [MARCH](#) plasma treatment system will be featured.

Visit the Nordson ELECTRONICS SOLUTIONS [web portal](#) to find out more.

### **Introducing Nordson ELECTRONICS SOLUTIONS**

Nordson ELECTRONICS SOLUTIONS offers its customers a robust product portfolio, including precision fluid dispensing, plasma surface treatment, selective soldering, and test and inspection capabilities. Comprised of seven complementary Nordson Corporation product

brands – ASYMTEK, DAGE, MARCH, MATRIX, SELECT, SONOSCAN and YESTECH – Nordson ELECTRONICS SOLUTIONS is uniquely positioned to serve its customers with best-in-class precision technologies, passionate sales and support teams, global reach, and unmatched consultative applications expertise.

### **About Nordson Corporation**

Nordson Corporation (NASDAQ: NDSN) is one of the world's leading producers of precision dispensing equipment that applies adhesives, sealants, coatings and other materials to a broad range of consumer and industrial products during manufacturing operations. The company also manufactures equipment used in the testing and inspection of electronic components as well as technology-based systems for curing and surface treatment processes. Headquartered in Westlake, Ohio, Nordson has direct operations and sales support offices in more than 30 countries.
