

Press Release

Thun, 12 January 2017

Meyer Burger receives order for DW 288 Series 3 diamond wire cutting technology for about CHF 8 million from existing European customer

An existing PV customer located in Europe has awarded Meyer Burger a contract for about CHF 8 million for the delivery and installation of the newest generation DW 288 Series 3 diamond wire cutting saws. Delivery and commissioning of the equipment is scheduled to start as of the second quarter of 2017.

Meyer Burger Technology Ltd (SIX Swiss Exchange: MBTN) today announced that it has concluded an important contract for its industry leading DW 288 Series 3 diamond wire cutting platform. The existing European customer selected Meyer Burger's newest generation diamond wire cutting technology in order to increase its production volume of high quality solar wafers at sustainably reduced manufacturing costs.

The contract volume is about CHF 8 million and includes the delivery, installation and commissioning as well as service support and on-site training for the DW 288 Series 3 diamond wire cutting platform. Delivery of the equipment is expected to start as of the second quarter 2017.

About Meyer Burger Technology Ltd
www.meyerburger.com

Meyer Burger is a leading global technology company specialising on innovative systems and processes based on semiconductor technologies. The company's focus is on photovoltaics (solar industry) while its competencies and technologies also cover important areas of the semiconductor and the optoelectronic industries as well as other selected high-end markets based on semiconductor materials. Over the past ten years, Meyer Burger has risen to the forefront of the photovoltaic market and established itself as an international premium brand by offering superior precision products and innovative technologies.

Meyer Burger's offering in systems, production equipment and services along the photovoltaic value chain includes the manufacturing processes for wafers, solar cells, solar modules and solar systems. Meyer Burger provides substantial added value to its customers and clearly differentiates itself from its competitors by focusing on the entire value chain.

The company's comprehensive product portfolio is complemented by a worldwide service network with spare parts, consumables, process know-how, customer support, after-sales services, training and other services. Meyer Burger is represented in Europe, Asia and North America in the respective key markets and has subsidiaries and own service centres in China, Germany, India, Japan, Korea, Malaysia, the Netherlands, Switzerland, Singapore, Taiwan and the USA. The company is also working intensively to develop new markets such as South America, Africa and the Arab region. The registered shares of Meyer Burger Technology Ltd are listed on the SIX Swiss Exchange (Ticker: MBTN).
