ZESTRON Announces Jeff Kennedy as Strategy and Business Development Manager

Manassas, VA – March 30, 2020 [ZESTRON](#), the global leading provider of high precision cleaning products, services, and training solutions in the electronics manufacturing and semiconductor industries, is pleased to announce the hiring of Jeff Kennedy as the Strategy and Business Development Manager.

Jeff is active in advanced technology roadmaps and development initiatives, working with the Applications Technology teams and customers as well as leading activity in key industry consortium initiatives.

He has more than 30 years of engineering and management experience in system integration, process development, PWB fabrication, packaging in the microelectronics industry, and over 20 years in contract electronics assembly.

Jeff is the past SMTA president, a past SMTA Board member, active on the SMTA Technical and Students and Young Professionals Committees, and participates in other committees when able. He is also an IEEE and IMAPS association member.

About ZESTRON:

ZESTRON is headquartered in Manassas, Virginia and operates in more than 35 countries. With eight technical centers worldwide and the industry's most knowledgeable team of engineers focused on high precision cleaning, ZESTRON's commitment to ensuring that its customers surpass even the most stringent cleaning requirements is without equal.

For additional information or to tour one of our technical centers, please visit www.zestron.com.
