

Nordson Test & Inspection Expands Partnership with Distributor smartTec Nordic A/S

Minneapolis, Minnesota — July 10, 2025 – [Nordson Test & Inspection](#) today announced that smartTec will expand distribution of X-Ray and Test Solutions to include Denmark, Norway, Finland, Sweden, Latvia, Lithuania and Estonia.

“To build on our strong partnership with Nordson Test & Inspection, we are pleased to expand our distribution of Nordson’s X-Ray and Test portfolio of inspection and metrology solutions in Scandinavia and Baltic countries,” said Lars Bøndergaard, Managing Director of smartTec Nordic A/S, “Nordson has a leading portfolio of differentiated solutions that deliver superior performance for our customers in both semiconductor and SMT markets and they continue to advance both system and software technologies incorporating machine learning (ML), deep learning (DL) and artificial intelligence (AI) to address next-generations applications.”

smartTec Nordic A/S is part of smartTec GmbH, headquartered in Germany. The expansion of distribution of the X-Ray and Test solutions in the Scandinavia and Baltic countries builds on the strong multi-year partnerships and distribution of Nordson’s X-Ray and Optical inspection and Metrology systems in Europe.

About SmartTec Nordic

SmartTec Nordic delivers technology solutions tailored for the modern manufacturing industry. Rooted in Nordic values of precision, sustainability, and innovation, we develop intelligent automation systems, and together with our partners, we connect process machines with our software platforms that enable manufacturers to operate more efficiently and responsibly. Our products are designed to withstand the demands of industrial environments while offering the simplicity, reliability, and scalability that Nordic industries expect. With a focus on long-term partnerships and practical innovation, SmartTec Nordic helps manufacturers across the region transition to smarter, more resilient production systems.
