

Uyemura Expands Engineering Team in Great Lakes Region

Southington, CT. May 30, 2025. Andrew Jin has joined Uyemura's Engineering Team as Technical Service Engineer for the Midwest. Jin was formerly with Sensient Technologies, Flavors and Extracts Division, where his focus was CO2 emissions and water quality; he also did capital project work with production equipment.

Jin graduated from the University of Illinois, Urbana-Champaign with a degree in chemical engineering. He will have a supporting role in the installation of an ENIG line at United Electronics Franklin Park, IL. Jin is based in the Chicago area.
